

Decorative Cast Metal Grates

Living Green Design Solutions provides decorative cast metal grates for residential, commercial and public use that adds value, form and function with affordable artisan quality designs.

Superior metal castings composed of 100% post consumer recycled content, ADA compliant and made in the USA, come in a world of patterns, textures and finishes to compliment the best environments and hardscapes.

Trench drain grates fit the most widely used drain bodies and trench drain channels made by manufacturers such as ABT™, ACO™, MEA™ and NDS™.
